

Universitatea Babes-Bolyai din Cluj-Napoca

Facultatea de Stiinta si Ingineria Mediului

Scoala doctorala Stiinta Mediului Doctoral School

Conducator de doctorat/Supervisor: Conf. dr. ing. habil. Nicolae AJTAI

Concurs pentru admiterea la doctorat / Admission exam to doctoral studies

Iulie, Septembrie / July, September 2025

Desfășurarea concursului / Examination procedure:

1. Lucrare scrisă (max. 5 pg.) pe baza tematicii și a bibliografiei propuse pentru concurs. Subiectul lucrării va fi comunicat candidaților.

Written paper (max. 5 pg.) based on the proposed topic and references. The topic of the paper will be communicated to the candidates.

2. Interviu în cadrul căruia se analizează preocupările științifice și realizările anterioare ale candidatului, după cum rezultă din documentele depuse la înscrierea la concursul de admitere, aptitudinile personale de cercetare, tema propusă pentru teza de doctorat.

Interview discussing the previous scientific interest and achievements of the applicant, as reflected by the submitted documents, personal skills of the applicant, and the topics proposed for the doctoral studies.

Notă: o parte a interviului se va desfășura in limba engleză.

Note: For the Romanian speaking applicants, part of the interview will be held in English. For the foreign applicants, the interview will be in English.

Tematica / Topic:

Metode de teledetectie și in-situ de monitorizare și caracterizare a proprietăților aerosolilor atmosferici

Remote sensing and in-situ methods for the monitoring and characterization of atmospheric aerosols' properties.
